## Faribault Falcons Wrestling

The past 20 years Faribault coaches, alumni, and friends have put together a fun filled day for all to enjoy. We would like to invite all Wrestling Fans to the 21st Annual Faribault Wrestling Golf Classic. Last year was a great success and we hope to have continued success this year. It's always impressive to see the faces of alumni, family, and friends who have played a part in the rich history of Faribault Wrestling.

**Show your support for  
Faribault Wrestling  
See you on the GREEN!**

### Another Successful Year!!!

Faribault Wrestling made another giant leap in its quest to reclaim its spot among the state's elite programs. With the effort of many dedicated individuals, the program once again turned heads as they perform at high levels from Youth to High School.

Beginning in October, the Youth In-House Program once again displayed its power in numbers with kids participating from every city elementary. Jefferson won the team championship over last year's champion Academy Hawks (Divine Mercy, Lutheran School, MSAD, and STEM) followed by Roosevelt and Lincoln. The City Championship again saw a packed gym of fans and excellent wrestling as everyone walked away a winner!

The Youth continued their season with many joining the club program, "The Green Machine". Again, we saw great numbers as well as individual performances. Faribault was represented at many local, region, and state tournaments while representing the Falcons with great pride! The club again went to five team tournaments during the season with three firsts and two seconds.

Green Machine followed up its rise from last year's first-ever "team" appearance in the NYWA state tournament with another state appearance. This time, improving upon the 6th place finish at Regions with a 3rd place. And then highlighted the season with a tie for 1st Place in Pool 2 at the State Tournament (5th Place in the State!). The Green Machine also sent seven "individuals" to NYWA State with two STATE champions, Elliott Viland and JT Hausen, and Dylan Lippert took home 2nd Place!! Way to go! Green Machine sent five to the MNUSA State, and Viland took 2nd Place. David Tonjum placed 2nd at Badgerland Nationals and at the tough Byron Challenge, Tonjum claimed Faribault's first-ever title.

The Middle School Program continues to build off the successful youth program with increased participation at 40 strong now. However, with increased participation numbers comes the cost so further fundraising will be vital to continue its development.

At the High School level, Faribault went through a bit of a rebuilding season after graduating 11 seniors from last year's top 10 ranked squad. Despite the young line-up, the team finished fourth in the Big Nine with three All-Conference members (Ryan Mullenex, Andy Ness, and Trevor Morris) and Tony Avila was honorable mention. Ness advanced to the State Tournament! Congratulations to the 5 graduating seniors (Ness, Morris, Blake O'Neil, Josh Amacher, and Nick Aldrich) for all your hard work and dedication both on and off the mat!!!
