Faribault Falcons Wrestling

The past 22 years Faribault coaches, alumni, and friends have put together a fun filled day for all to enjoy. We would like to invite all Wrestling Fans to the 23rd Annual Faribault Wrestling Golf Classic. Last year was a great success and we hope to have continued success this year. It's always impressive to see the faces of alumni, family, and friends who have played a part in the rich history of Faribault Wrestling.

**Show your support for
Faribault Wrestling
See you on the GREEN!**

Seniors join forces with rising stars to take 2nd at Sections!!

Faribault Wrestling made another giant leap in its quest to reclaim its spot among the state's elite programs. With the effort of many dedicated individuals, the program once again turned heads as they perform at high levels from Youth to High School.

The High School Team was "Together Tough" this year with a starting line-up that included three 8th graders, two freshman, three sophomores, two junior and four senior. Faribault finished with a team record of 21-5 including a 17-match win streak. In the Section 1AAA Team tournament, the #3 seeded Falcons knocked off #2 seed Owatonna in the semifinals 35-25. In the finals, Faribault led #5 state-ranked Farmington 27-23 before falling 38-30. Individually the Falcons saw plenty of success also. Four Falcons advanced to State including section-champion Ryan Mullenex. Also advancing to State were Felipe Ramirez, Isaac Van Thomme, and Edwin Santiago. Four more Falcons finished 3rd at Sections and just one spot away from State. Five more Falcons placed in the top five at Sections. At State, Santiago battled his way through the heavyweight bracket to finish 4th! And Mullenex fought through an injury to take sixth.

Tony Avila, Mullenex, Van Thomme and Felipe Ramirez were named All-Conference. Riley Stoltz, Charlie Chambers, Dillon McEachran, and Santiago were honorable mention. Avila crossed the 100 career wins, while Mullenex finished his career with 160 wins (3rd on the all-time list). The team continued its success in the classroom being named an All-academic team for 17th consecutive year!

Thanks to the Shiels Family, we offered \$3500 in scholarships to Mullenex, Isaac & Anthony VanThomme, Avila and Santiago.

Middle School continues to grow both in numbers and skill development. The 6-8th Grade enjoyed a very successful year on the mat and in the classroom. Many accepted the offer to wrestle on 9th Grade team, JV and even varsity, once the middle school season ended in January. Not only did they accept the challenge, they flourished.

Beginning in October, the Youth In-House Program once again displayed its power in numbers with kids participating from every city elementary. Jefferson won the team championship over Lincoln. The City Championship again saw a packed gym of fans and excellent wrestling as everyone walked away a winner!

The Youth continued their season with many joining the club program, "The Green Machine". Again, we saw great numbers as well as individual performances. Faribault was represented at many local, region, and state tournaments while representing the Falcons with great pride! The club again went to many team tournaments during the season and placed top 4 at the tough Cannon Falls tournament but the K-6th Team did not advance to NYWA Team State after three consecutive appearances. Instead, the 7-8th Grade Team wrestled in State and finished 10th in the 32-team tournament.

It was again a year of the individual performances! After Bo Bokman become the first Faribault youth wrestler to capture state championships at both NYWA and MNUSA in 2015, Charlie Chambers accomplished the feat in 2016! In addition to Charlie winning both state titles, Riley Stoltz won his bracket at NYWA State and was named Most Outstanding 7-8th Grade Wrestler. The Green Machine advanced 20 individuals to MNUSA State and advanced 7 to NYWA State! At MNUSA State, in addition to Charlie's title, four others were place-winners (JJ Reuvers, Bokman, Elliott Viland, and JT Hausen). At NYWA State, in addition to Charlie and Riley's titles, three others were place-winners (Bokman, Hausen, and Logan Vargo). Hausen became the first Faribault youth to capture a Midwest Tour Belt (top 6 at three national tournaments) in 2015 and JT captured it again in 2016 including winning the Gopher State Nationals.

...Yes, the future is looking bright for the Falcons.
