Registration

www.mnusawrestling.org > Events > 2018 State Folkstyle

A Couple of Important Notes About Registration

EVERYONE (all age groups) MUST pre-register for the MN USA State tournaments. If you do not know your membership ID, check the procedures under the Membership tab in the PRINT USA CARD section. If you follow these and still get an error message, and you are not able to reach Donita Flodeen (507-319-0379), make up a membership ID so you can get registered. You should have your card with you at the State tournament, but more than likely will not need to present it. For Minnesota events, your registration will appear on a report of invalid numbers (if you made up a number) which will be reviewed by Donita and she will update your correct membership ID. If your active membership cannot be verified, you will be contacted and will have to then present your card at tournament. Everyone has to have an active membership to wrestle, which means you purchased it on or after 9/1/17.

The only option for registering is Online registration. **Online registration will close on March 5, 2018 at 10:00 p.m.** (it is set up to automatically close, even if you are in the process of registering, so our suggestion is do not wait to start the process until the end).

Absolutely no late registrations will be accepted. Registration can only be made Online via TrackWrestling. No exceptions.
